### Qualifications

- Twenty years of experience in the Oil and Gas Industry
  - Ten Years on a workover rig
  - Ten years in the fishing and rental industry
- Wells ranging from 3,000' - 23,500' Southern and Western Oklahoma, Texas and Arkansas
- Strong background in workovers, completion work, snubbing, wireline, pipeline, roustabout, coil tubing etc.
- Experience with skid mount pumps, swivels, fishing tools, foam air units
- Organization and people skills, I worked out on DFW airport completing wells, had to organize water trucks, and set up Frac tanks, sign tickets, keep up with tubing, communicate with many different people throughout the day.
- Worked the last 3 years in Ft Worth area, taking care of my own equipment, repair tools, bop and fishing tools. Picking up all tools that I may need for XTO
- Worked extensively for BP and EXXON who both have extensive safety programs so I am used to working safely and have attended many different safety courses throughout my career.
- Experience with Microsoft Word and Runzheimer
- Devon and Marathon safety orientation.
- HSE Safety Training-BTI.
